Dear TLA Volunteer,

Thank you for your interest in supporting Transforming Lives Academy (TLA). Volunteers like you are the heart and soul of our organization, helping us bring our mission to life—empowering youth and women in the Bolingbrook community through education, mentorship, and personal development.

At TLA, we offer a wide range of programs, from Girls Connect, which supports the growth and development of girls in grades 6–12, to Women Empowerment, which provides workshops and networking opportunities for women to achieve their goals. Our I Can Tutoring program and upcoming Workforce Readiness initiative offer education and career support to individuals looking to improve their skills and contribute meaningfully to their communities.

As a volunteer, you can play an integral role in delivering these life-changing programs. Whether you're mentoring a student, helping organize events, or contributing your skills in other ways, your efforts will directly impact the lives of those we serve.

We invite you to join us in this rewarding work. Together, we can create a brighter future for those in need of support, guidance, and empowerment. Please feel free to complete volunteer form, attend an orientation, and ask any questions. We look forward to welcoming you to the TLA volunteer team!

Warm regards,

Torya Coates
